**CULTURE CHANGE WITH
THE ACTIVE SYSTEM**

***What Ever
Where Ever
When Ever***

**We conform to the individual needs of each resident,
rather than asking them to conform to our operation.**

WHAT EVER

**What Ever means a “Select Menu”
What Ever they want means “Write Ins”
Do your Residents have a Choice ?
Can they ask for something else ?
Select Menus handle all this,
But a Select Menu System is very labor
intensive.**

Until Now ...

The Online Select Menu Program is fully automated from User Setup to Automatically printing the selections on the Tray Card.

No Menu Distribution

No Menu Collection

Each Line can be a Write In.

WHERE EVER

Where a resident eats, can be as important to their eating as what is on the menu.

Can we change dining locations on the Fly ?

Yes We Can!

CHANGING DINING LOCATIONS

- 1.The Traditional Way in the Admission Program**
- 2.On each Menu Selection Page**
- 3.On each meal of the Menu Selection Page.**
- 4.You get a complete listing of all changes when you print tray cards.**
- 5.You get a text of all changes when they occur.**
- 6.Kitchen Request Board Gets the Changes Also !**

HOW TO CHANGE THE DINING LOCATION

The screenshot shows a web browser window with a URL: <https://ahpgnet0.ipower.com/WebNet/smenu/MT4832/M1.php?%20cycleno=1&facility=XYZ%20Facility>. The browser's address bar and tabs are visible at the top. The main content area features a list of items with checkboxes: Salt* & Pepper, Sugar Sub, and Diet Syrup. Below this list is a section titled "Dining Location Change for Breakfast:". Underneath, a dropdown menu is open, displaying a list of dining locations. The first item, "F1 Table 1 - First Seat", is highlighted in blue. Other items in the list include "CT1 cart 1", "C1D Cart 1 D Hall", "CT2 Cart 2", "CT3 Cart 3", "CT4 Cart 4", "F2 Table 2 - First Seat", and "F3 Table 3 - First Seat". The background of the page is a faded image of a dining table with silverware. The Windows taskbar is visible at the bottom of the screen, showing various application icons and the system clock at 2:32 PM.
